Europe's Leading Trade Fair for Conservation,  
Restoration and Old Building Renovation

November 5 to 7, 2020

AS PART OF denkmal 2020:

## CONTACT "denkmal" – NETWORKING & MATCHMAKING

6 NOVEMBER 2020, 10:00 a.m. – 20:00 p.m. AT THE JOINT COMPANY STAND OF SAXONY

The "denkmal" trade fair has been held in Leipzig every two years since its premiere in 1994 and is aimed at decision-makers: architects, planners, skilled artisans, heritage conservation authorities and restorers, but also investors and building owners. The result is a three-day gathering of industry professionals and private visitors together in one convenient location.

As Europe's leading trade fair for cultural heritage conservation, "denkmal" represents the excellent communication platform for establishing contacts to domestic German and international providers of related goods and services. Companies and institutions from China, the Czech Republic, France, Germany, Georgia, Greece, Italy, Lithuania and Poland participated in the International Business Meetings at denkmal 2018.

Thanks to the great response to the five previous denkmal International Business Meetings, this event will continue in expanded form in 2020. The CONTACT "denkmal" – Networking & Matchmaking are organised by the Leipzig Chamber of Skilled Crafts and Trades and Leipziger Messe together with the Dresden Chamber of Skilled Crafts and Trades as a partner. Further supporters are the Chemnitz Chamber of Skilled Crafts and Trades, the IOSax Internationalisation Offensive Saxony and Bayern Handwerk International GmbH.
